

**School of Chemistry**  
University of Hyderabad  
Hyderabad – 500 046, INDIA

**UoH/ANRF/2025/AB/JRF-1**  
**19/04/2025**

The School of Chemistry, UoH is inviting applications from eligible candidates for the post of **Junior Research Fellow, for two years**, in the ANRF funded project entitled “**Understanding Charge Transfer Dynamics at the Prussian Blue Modified Metal-Oxide Photoanodes Interface: An Operando Spectro-Electrochemistry Approach**”. The broad area of research topic would be in the field of ultrafast pump-probe spectroscopy at the interfaces. The ultrafast laser lab has already been built at the School of Chemistry.

Designation	Qualification & Specialization
<b>Junior Research Fellow (1 post)</b>	<b>Essential:</b> a) <i>M. Sc. in Chemistry with minimum 60 % marks.</i>  <b>Desirable:</b> a) Previous work experience in Physical chemistry, Spectroscopy
<b>Stipend/Remuneration (per month):</b>	
Research Associate (JRF)	Rs. 37,000/ total per month (duration two years)
SRF position	Rs 42,000/ total per month (duration one year)

**Tenure of the post:** Position is *for a period of two years* and might be extended for a 1-year SRF position (Rs 42,000 per month), depending upon the performance of the candidate.

Interested and Qualified candidates with good academic records are requested to send their application along with a detailed Curriculum Vitae by email to **Dr. Anupam Bera** (Email: [anupambersa@uohyd.ac.in](mailto:anupambersa@uohyd.ac.in)) with the subject line **Application for the post of JRF-ANRF** on or before **30<sup>th</sup> April 2025**.

The *short-listed candidates will be invited to attend an interview* at a later date. *The interview date will be intimated via e-mail* through an online mode.

**Dr. Anupam Bera,**  
**Assistant Professor,**  
**School of Chemistry, UoH**
